Prentice had a great record as a show bull as a yearling in the hands of his breeder. He is one of the breed's leading sires. During the 1926-27 show season three of his sons were grand champions at State and National shows. Sni-A-Bar Cornerstone at the Pacific International, Portland, and other western shows. Sni-A-Bar Count at Ohio State Fair, Junior Champion at the Sesqui-Centennial Show at Philadelphia. He was never defeated in class. Sni-A-Bar Courtier was junior champion at Forth Worth and grand champion at El Paso in March, 1927, when he was only nine months old. The get of Prentice in the 1928-29 circuit have defeated every other get of sires shown once or more. Sni-A-Bar Courtier is the best bull ever offered at public sale by Sni-A-Bar Farms. In the strongest shows he has gone through the season to date without defeat in the two-year-old class. During 1928 he was nine times a grand champion, defeating every bull that won grand championship honors that year. He won his first grand championship when only nine months old. He was a sensational calf. He won highest honors as a yearling. And he is better than ever in his mature form. Although he has been on the show circuit much of his life, a few splendid, rich colored, sappy calves will be on exhibit on sale day to attest his ability as a sire. Who will be the fortunate owner of this great son of Prentice?

Gregg Farm Count is a splendid example of the prepotency of the Prentice line of blood. He is the sensational dark roan summer yearling that won junior championship this year at the strong Iowa State Fair. His sire, Sni-A-Bar Count, was junior champion at the Philadelphia Sesqui-Centennial Exhibition and was undefeated as a yearling that year, the only year shown. His dam was Village Cicely 3d by Gregg's Villager. Gregg Farm Count is absolutely level in his lines, has a great spread of rib, is deep of body, short of leg, and has a strong masculine head. He is undoubtedly one of the best bulls of the year. Prentice blood breeds on. Improvement will be apparent in the herd of any breeder who makes use of it.

Sni-A-Bar Seal is a full brother to Sni-A-Bar Courtier and shows the same inherent quality. He was calved in October, 1927. He is short legged, thick, compact and has plenty of bone and substance. His head is that of a real sire. He won many first prizes on the Western show circuit as a senior calf in 1928, this honor going to him at both the Iowa and Kansas State Fairs.
